(NATIONAL PEACE JAMB SPECIAL LIMITED EDITION)

1. The World Organization of the Scout Movement (WOSM) has launched the Messengers of Peace (MoP) Initiative which aims to inspire millions of young men and women throughout the world to work for the **cause** of Scouting: ***Creating a Better World!*** The initiative promotes young men and women as Leaders for Life – in their communities and in their world.
2. Throughout the world, Scouts work for peace in their communities in many different ways. They solve conflicts in school by preventing bullying, build links between divided communities, lead peer education initiatives, create solutions to environmental problems, promote awareness on the effects of war and the development of weapons of massive destruction (chemical or nuclear) and run countless other peace and service projects. The Messengers of Peace Global Network was established as a tool for connecting this global work. Using social media, the Network will allow Scouts all over the world to showcase their service projects and meet online to share their ideas, tell their stories and work together to build peace in their communities.
3. In support of this Program Thrust, the Boy Scouts of the Philippines authorizes the use of the National Peace Jamb Special Limited Edition Messengers of Peace Commemorative Neckerchief for the period of one year until February of 2014 to all Scouts and Adult Leaders as a unifying symbol of the Messengers of Peace National Network. By wearing the MoP Violet Neckerchief for young people and MoP Red Neckerchief for all Adult Leaders nationwide, each one is reminded of their prime duty to practice virtues to promote peace and brotherhood among men at all times.
4. The commemorative neckerchief shall be made available to the National Scout Shop, Regional Distribution Centers and the Local Council Scout Shops at Php 100.00 for both red and violet neckerchief designs.
