**NUMBER** 49 s. 2014

**TO** : **To all Regional Scout Directors and Council Scout Executives/  
Officers-In-Charge**

**SUBJECT** : **Submission of Community-Based Scouts Monthly Statistics**

---

The organization of Community-Based Scouting program is aimed to strengthen the Scouting movement and make it visible in the communities where Scouts take part in various services and development programs, projects and activities, especially in disaster preparedness and risk reduction management during times of emergencies, disasters and natural calamities.

From the time this program was launched, various projects and activities involving the Community-Based Scouting units were reported, however, there were no reports made on the actual number of Scouts who represented the Community-Based Scouting program.

In this connection, you are hereby directed to submit a monthly report on the number of Scouts registered under the Community-Based Scouting program through the attached revised Membership Registration Statistical Report (MRSR) form. The Scouts registered under the Community-Based Scouting program must still be included in the statistics by Scouting Section and at the same time, it must also be reflected, in particular, under the Community-Based Scouts found in the lowermost section of the form.

For your information, guidance and strict compliance.
