Congratulations!

You have just earned the World Scout Environment Badge under the World Scout Environment Programme, a program that focuses on the environment and encourages the Scouts to have a holistic awareness of the natural world and how their day-to-day actions can impact upon this, progressively building a sense of responsibility for the environment.

Remember that the environment is central to the Scout Programme and a key element of developing good citizens of the world. Since Scouting began, young people have been connecting with the outdoors, learning from nature and taking positive action for their local and global environment.

There are many more environmental challenges today than when scouting started, making it even more important to keep the environmental central to scouting, to build on the momentum already established and to make Scouting a positive force for change.

We feel honored to present to you the World Scout Environment Badge. This badge is a statement to your perseverance and hard work in accomplishing the task and projects identified under the WSEP Aims and activities. More importantly, this badge affirms your commitment towards the preservation and protection of the local and global environment.

On behalf of the Boy Scouts of the Philippines, we wish to congratulate you a job well done.

WENDEL E. AVISADO

President

ROGEMO S. VILLA JR.

Secretary General

WORLD SCOUT ENVIRONMENT BADGE

Having successfully completed all the requirements,
I hereby approve this application and grant the
World Scout Environment Badge to:
