NATIONAL OFFICE MEMORANDUM

No: 54 ; Series of 2018

TO:

Regional Scout Directors

Regional Field Scout Executives

Council Scout Executives

Officers-in-Charge of Local Councils

Field Scout Executives

ALL AUTHORIZED DEALERS OF THE NATIONAL SCOUT SHOP

SUBJECT: NOTICE OF PRICE ADJUSTMENT

- Since April 12, 2018, the suppliers of scout uniforms and paraphernalias have been notifying us of the general price increase in their items being consigned to the National Scout Shop, citing the increase in their cost of production caused by varying factors such as wage hikes, increases of fuel price, fluctuating peso-dollar exchange rate, and everrising inflation rate;
- Dialogues and negotiation efforts with the suppliers have been exerted to find other ways to thwart, delay or temper the aforesaid price increase; however, it is inevitable as the increase in cost is dictated by market forces;
- 3. It was in 26 March 2014 when the last price increase was issued by virtue of National Office Memorandum 28, Series of 2014. From thereon, or more than four years ago, the cost of production has really increased triggered by wage hike orders, fuel price increases, dollar-peso exchange rate fluctuations, fare hikes, and inflation rate increases;
- On several occasions, the National Scout Shop Committee has deliberated this issue and likewise reported on the matter to the National Executive Board during the 17 November 2018 Executive Committee Meeting;
- In view of the foregoing, and to avoid out-of-stock situations especially on the regular items needed by our member-scouts, a new price list herein attached, is issued for effective immediately until further notice;
- 6. Be informed that we are in constant motion to make available nationwide good quality official Scout items priced reasonably to make them affordable to all scouts.

Thank you for your continued support and we hope that you understand this measure that we have to undertake for us to continue serving you and the need of our member scouts nationwide.
