SUBJECT : Online Jamboree Registration Portal
(Addendum to BSP National Office Memorandum No. 64,
Series of 2021 re: 25th World Scout Jamboree)

1. The International Relations Committee of the BSP's National Executive Board, in its meeting on 7 October 2021 has resolved to streamline and expedite the processing of applications for the upcoming 25th World Scout Jamboree by way of opening an online jamboree registration portal. Taking into consideration the pandemic-induced lockdowns and quarantine measures enforced by the government, the said portal will lessen the unnecessary travels and/or external contact of interested applicants, remove procedural requirements with lower priorities, and at the same time bring the opportunity closer to more young people.
2. As an offshoot of this development, Scouts and Scout Leaders who are interested and physically fit to participate in the **25th World Scout Jamboree** may now apply through the **Online Jamboree Registration Portal** accessible through this link:

bit.ly/bsp_wsj2023

3. Applications submitted electronically through the portal will be sent directly to the BSP National Office and will not require the submission of the medical certificate as of now, but will only be required at a later date of the application after the requisite evaluation of qualifications specified in the previous memorandum under, [BSP National Office Memorandum No. 64, Series 2021](#) issued on 13 September 2021 is approved by the Jamboree Participation Screening Team.

Additionally, participating Scouts (those aged between 14 to 17 years old) must be holders of at least the Venturer Scout Rank at the time of the Jamboree.

4. Upon receipt of the online application, the BSP National Office will prepare the list of applicants per region on a weekly basis and send it to their corresponding Regional Offices for verification and group endorsements.
5. Should there be any questions relative to any of the stipulations in this document or about 25th World Scout Jamboree in general, you may course them directly to any of the following:
