XLX005J – is linked to the FreeDMR TG907

6. All stations must operate strictly in accordance with the Philippine Amateur Radio regulations and IATF Health Standard Protocols.

JAMBOREE-ON-THE-INTERNET

7. JOTI is an annual event in which Scouts and Guides from all corners of the world connect with each other through the internet. Digital signals carry their voices, pictures and messages all around the world. Connecting virtually with young people from other countries gives a feeling of the worldwide fellowship that Scouting is.

When is it?

JOTI 2023 runs from 20 to 22 October. During this time, the internet will be buzzing with communication between Scouts and Guides from different countries.

How to take part?

To take part in Jamboree-On-The-Internet and experience the excitement of connecting virtually with peers across the globe, you only need an internet connection and a computer or smartphone.

How to proceed?

Familiarize yourself with the programme ahead of time, to see, which activities you will find interesting.

During the JOTI weekend, take part in the activities, tune in to the live shows or meet fellow Scouts on our different channels. <https://www.jotajoti.info/programme>

8. Please send Post-Activity pictorial report to the National Office on or before 17 November 2023, to form part of the JOTA/JOTI - After Action Report and 2024 Annual Report at the BSP National Office – Public Relations and Communications Office thru email at bsp.prco@gmail.com and/or at boyet.barrera@gmail.com and to dx1bsp.national.office@gmail.com.
9. For guidance and compliance

DIOSDADO M. SAN ANTONIO
OIC - Secretary General
