1. Pursuant to the Youth Program Committee's Resolution that was approved by the National Executive Board, the Boy Scouts of the Philippines is pleased to announce the conduct of the **NATIONAL SCOUT YOUTH FORUM 2024**, which will convene all duly elected Senior Scout Representatives from their respective Regional Scout Youth Fora from Luzon, Visayas and Mindanao in one forum venue at the **Bamboo Pavillon, Miranda, Damilag, Monolo Fortich, Bukidnon** from **17 – 19 April 2024** with the *Theme: "Scouts In Policymaking: Weaving the Tapestry of Youth Empowerment"*; hosted by Eastern Mindanao Region, Bukidnon Council, BSP.
2. **Background and Rationale.** The Scout Youth Forum, a primordial part of the Youth Development Program of the Boy Scouts of the Philippines is organized to fill in the need and the clamor for youth participation in the decision-making process in the Scout Movement. It is a place for information, training and concrete experience of discussing and acquiring a deeper understanding of various issues. It is also a source of inspiration by providing the contact with new people, fresh ideas, innovative thoughts, different experiences and working methods.
3. **Aim and Objectives.** The National Scout Youth Forum aims to provide a dual opportunity for young members to discuss and express their views on issues of interest to them, preparing inputs and reporting to the Boy Scouts of the Philippines, including recommendations to the Local, Regional and National Executive Boards; and to develop the skills necessary to strengthen their capacity to take part in decision-making processes and to actively be involved in their own communities, institutions and Local Councils.

The Scout Youth Forum shall be to enable young people to share their ideas and experiences on current issues affecting young people in different parts of the country; suggest ways of strengthening national youth policies and training young people for citizenship; and contribute new ideas to the Movement on how to enrich educational programs for young people.

*At the end of the Forum, the Scouts should be able to:*

1. Help young people acquire the experiences, opportunities and skills necessary to express their views and opinions constructively, particularly in matters affecting them especially in the implementation of the Scouting Program.
2. Provide feedback to the governing bodies and the standing committees of the Boy Scouts of the Philippines at all levels especially on Youth Development.
3. Enable youth leaders to effectively communicate their needs, wants, interests, aspirations on present national issues and discover ways to get involved in community service and nation-building.
4. Provide young people with better understanding of the differences among young people while managing conflicts peaceably in democratic atmosphere thereby establishing camaraderie and brotherhood.

4. **Expected Outputs.** Consistent with the stipulated aims and objectives of the National Scout Youth Forum, the delegates, at the end of the Forum are expected to have been able to:
  1. Discuss, express and share their views on issues of interests that directly affect them, particularly, on the programs and thrusts of the Boy Scouts of the Philippines.
  2. Provide relevant recommendations for the revision, improvement, development, introduction of programs and/or policies for the Boy Scouts of the Philippines, through the National Executive Board.
  3. Develop the skills necessary to strengthen their capacity to take part in the decision-making processes in the various policy-making bodies of the movement.
  4. Prepare the required reports for transmittal to the National Office and review of the Program and Adult Resources Development Unit of the outputs and resolutions adopted during the Forum.
